### **DETAILED ACTION**

1. Examiner has considered Appeal Brief filed 12/20/2005.
2. Following an Appeal Conference between Examiner and Supervisors, it has been deemed that application is condition for allowance. Please see below for reasons for allowance.

### **EXAMINER'S AMENDMENT**

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, line 10, "said element" has been changed to "said selected element".

In claim 3, line 8, "said element" has been changed to "said selected element".

In claim 11, line 3, "vise" has been changed to "vice".

### ***Allowable Subject Matter***

4. Claims 1-18 are allowed.

The following is an examiner's statement of reasons for allowance: Prior art of record does not disclose, in single or in combination, determining by line terminator a first plurality of bits according to an identification of a selected element and a second plurality of bits according to an identification of a locally predefined function, selected

Art Unit: 2666

element being selected out of a set of in-line elements comprising in-line element to execute locally predefined function, line terminator including first and second plurality of bits in a grant message forwarded to in-line element, grant message forcing execution of locally predefined function in combination with other limitations of claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
